

Declaration of Originality for Thesis/Dissertation of Southeast University

I hereby declare that, the degree thesis/dissertation submitted is an outcome of my research work under the guidance of my supervisor and my research findings. To the best of my knowledge, apart from the sections specifically marked and contained in the acknowledgements, this thesis/dissertation does not contain any previously published or composed research results by others, nor does it include any materials used to obtain a degree or certificate from Southeast University or any other educational institution. I have clearly stated any contributions made by other researchers to this research in this thesis/dissertation and expressed my gratitude.
